# Hockey Scoreboards

FSL Scoreboards is the leading specialist in the design & manufacture of electronic hockey scoreboards in Ireland, the UK and worldwide.

FSL scoreboard models have the capability of displaying information such as team scores, count-up / count-down / real time clock, as well as displaying the home and away team names. Our scoreboards can also incorporate a hooter at half time & game end, red / green challenge lights, 8 second countdown clock with hooter for penalty shoot outs and a 40 second countdown clock for penalty corners.

The standard of FSL electronic hockey scoreboards is reflected by the prestigious sporting venues in which they are installed, for example, in Scotland National Hockey, Southgate Hockey, Millfield School, and Nottingham University.

## Benefits & Features of FSL Scoreboards

Enhance player & spectator enjoyment

Improve club facilities

Maximise revenue via sponsorship

Custom built to your requirements

Superior LED digit clarity

Operated using wireless controller

Aftersales support, repairs & upgrades

## M01

- 8 x 12" ultra bright LED digits
- Home and Away scores (0 - 99)
- Count up, count down or real time clock
- Ideal for clubs working with a lower budget

Size Approx: 1075 x 930 x 100mm

Transmitter:	Radio remote control, operational range of 250m
Readability:	183m
Angle:	> 110°
Power Supply:	230V 50/60 Hz Mains
Protection:	Aluminium, weatherproof enclosure with vandal resistant polycarbonate fascia. Prefitted mounting brackets are included for easy installation.
Warranty:	24 months warranty (1st year parts & labour, 2nd year parts only)

Operated by Remote Control
